DEDICATION

It is an honor to pay tribute to one who has been such a genuine part of Winnfield High School. Her interest in her students and her eagerness to help them have endeared her to all who came under her influence. Because she has meant so much to so many, we dedicate the 1967 Salt Rock to Miss Jesse Clyde Perdue.

Miss Perdue, now retired, has taught in the Winnfield schools for 37 years, and from 1952-1961 was the sponsor of the Salt Rock.

What Is A

High School

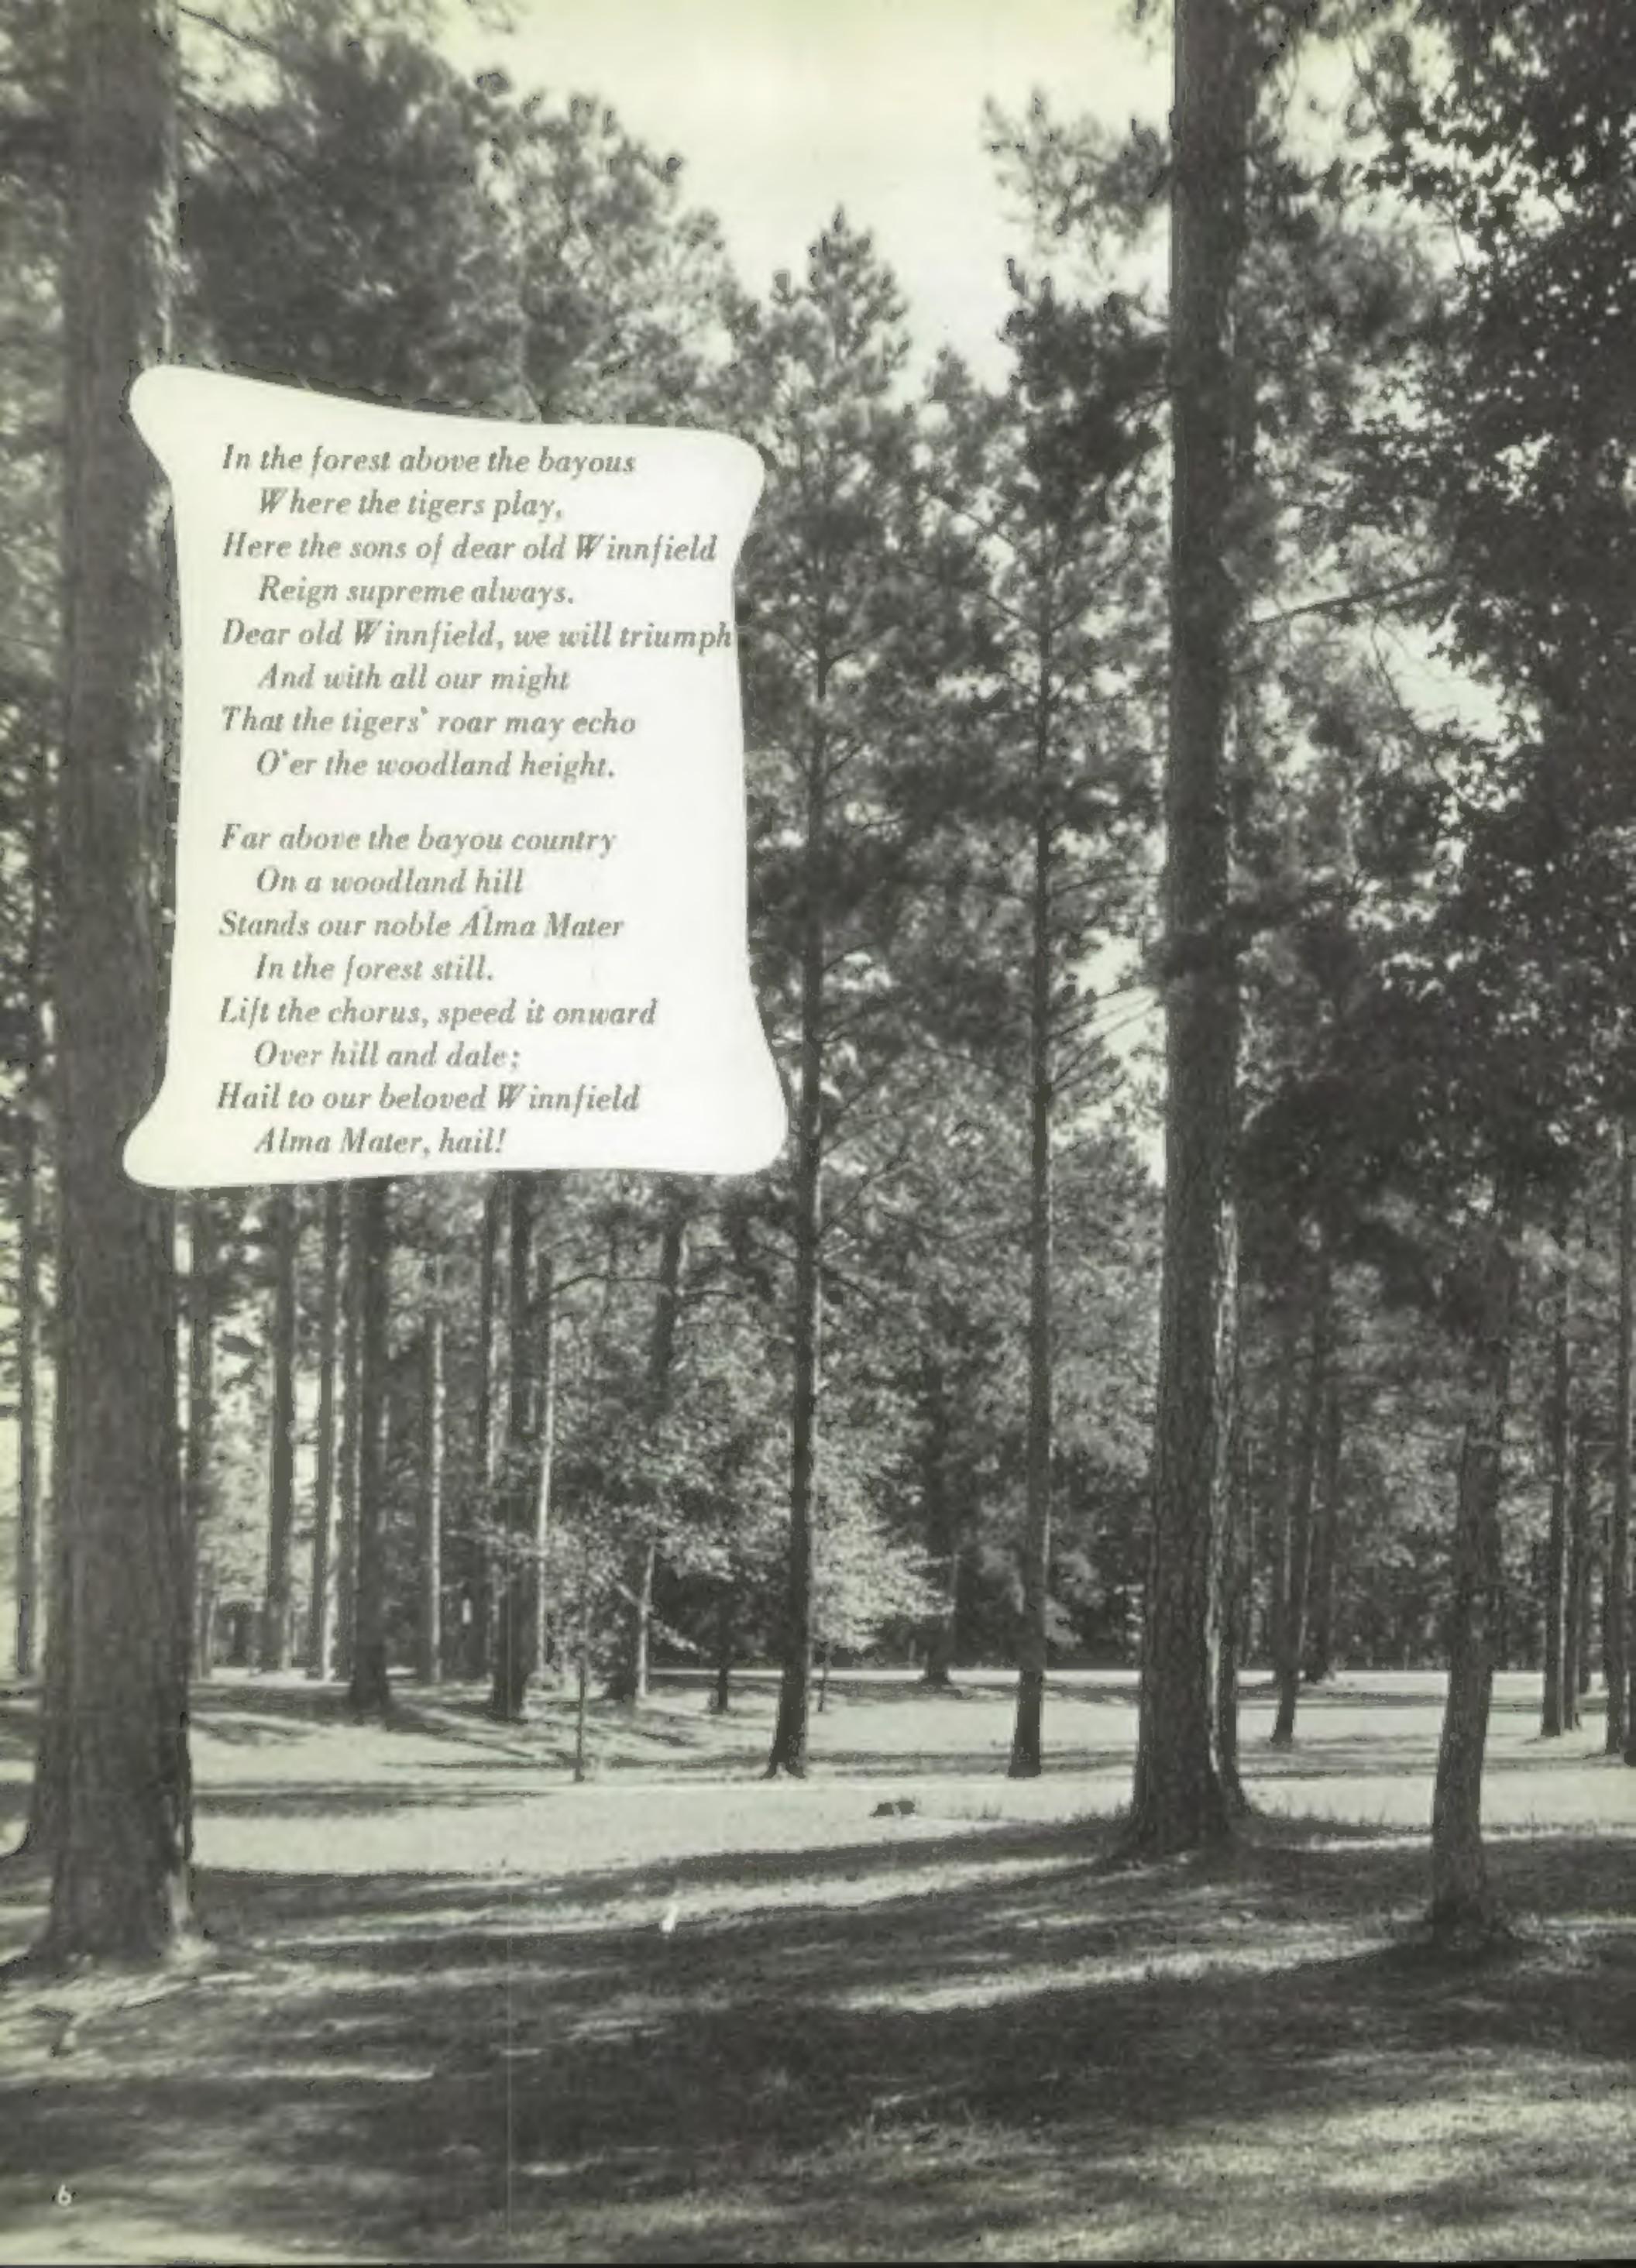

When you think of a high school, what do you see?
This is the picture that comes to me:
A high school is people—teen-agers and all.
It's assemblies and classes and a rush in the hall.
It's panic at report cards; it's red and white;
It's thrills and excitement that always shine bright.
Suspense fills the hallways, and rivalry's keen.
All yearn for a scholarship; who will be Queen?
A high school means projects and clubs with their fun,
And everyone working till all tasks are done;
Tense moments at ball games—Will we win or not?
That "Fightin' Tiger" spirit means more than we thought!
What is a high school? What is its story?
We've told it here in all of its glory!

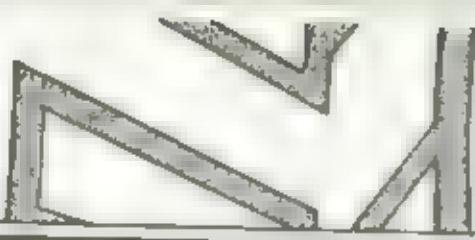

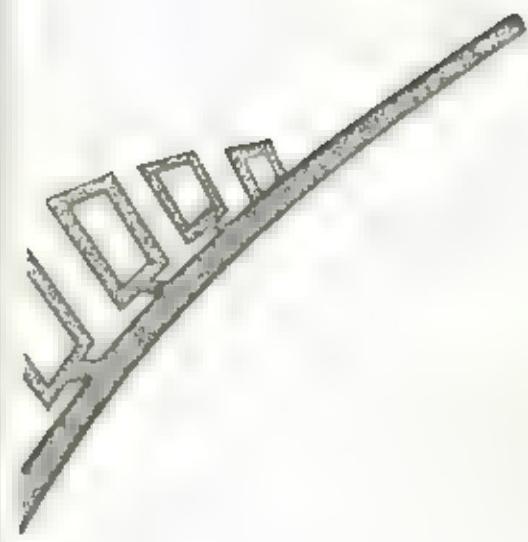

The Salt Rock Staff

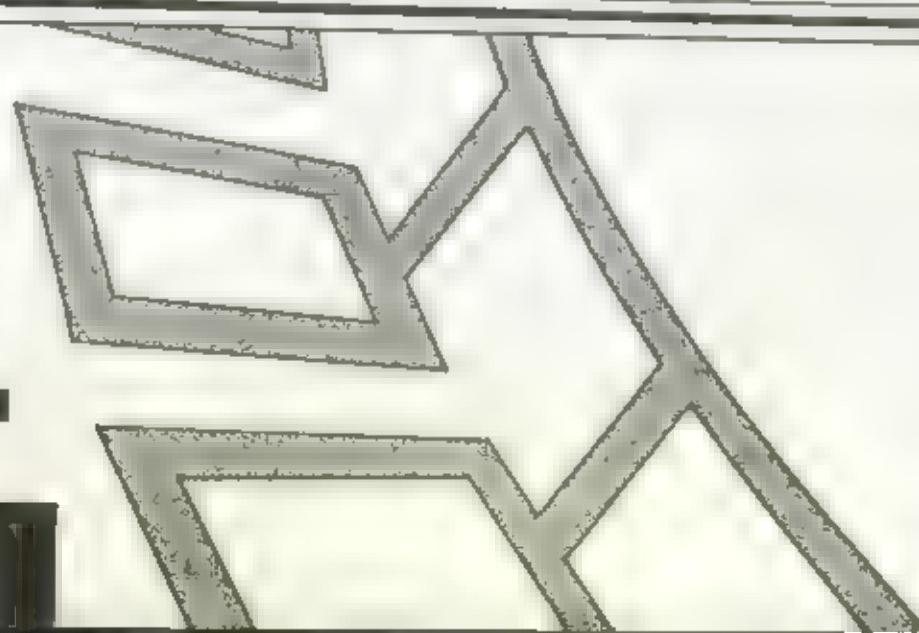

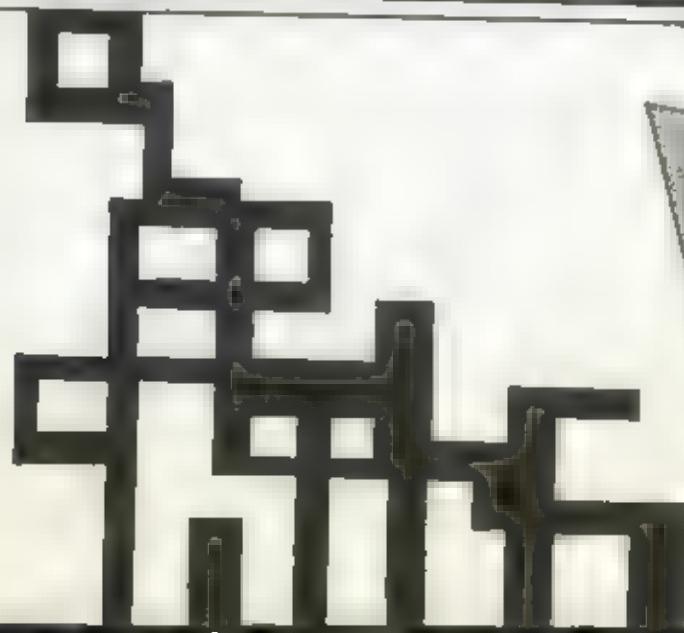

*In the forest above the bayous
Where the tigers play,
Here the sons of dear old Winnfield
Reign supreme always.
Dear old Winnfield, we will triumph
And with all our might
That the tigers' roar may echo
O'er the woodland height.*

*Far above the bayou country
On a woodland hill
Stands our noble Alma Mater
In the forest still.
Lift the chorus, speed it onward
Over hill and dale;
Hail to our beloved Winnfield
Alma Mater, hail!*

Jeanne Futch, head cheerleader at WSHS, was elected Most Popular Girl by the student body, and Most Intelligent Girl by the faculty for 1966-67. She was a Senior Maid of the 1967 Homecoming Court. An outstanding student in speech, Jeanne has been a member of Speech Club for three years and was selected as a member of Honorary Masque and Gavel. She served as Business Manager of the *Tiger Roar* and was invited to join Honorary Quill and Scroll. Jeanne plans to attend Louisiana Tech and major in pre-med.

Steve Heard, co-editor of the *Salt Rock*, excelled in both academic and extra-curricular phases of school life. He represented WSHS at the NSC Literary Rally in six different fields. Steve was a delegate to Pelican Boys' State, Leadership Conference, and Beta Convention. The students voiced their opinion of Steve by electing him Most Likely to Succeed, and the faculty selected him Most Intelligent. He participated in football, basketball, and golf for WSHS. After graduation Steve plans to attend Centenary College and major in pre-med.

Student Council Serves As Focal

Seated: Nancy Holmes, Reporter; Claude Dawson, President. Standing: Jeanne Futch, Treasurer; Ricky Jordan, Second Vice-President; Brian Shell, Historian; Taffy Flournoy, First Vice-President; Pam James, Secretary.

The Student Council, functioning smoothly under the leadership of President Charlie Dawson, was especially effective in carrying out its goals for the school year. Much attention was directed to improving school spirit in all phases of school life—athletics, leadership, service, and scholarship. Home room representatives and club officers answered a call by the Council's sponsor, Mr. John R. Cole, and contributed many new and beneficial ideas towards helping WSHS grow in spirit and character. As usual, the Student Council carried on its policy of "Good Citizenship" through sponsoring activities and projects which aided in the improvement of the school, home, and community.

Point For Student Activities

The Student Council goes through many motions in coordinating school activities. One of the most important of these motions is voting. It is here that policies and suggestions are accepted or rejected, and many other facets of student government are exemplified.

Row 3: Danny Keyes, FHA; Benton Treadtle, Tiger Roar; Donald Cotton Band, ~~Charles Dawson, Student Council~~.

During the year the Student Council engaged in several projects for improvement of school and community. One of these took place a few weeks before the start of school when President Charles Dawson, sponsor John R. Cole, various faculty members, and presidents of each club within the school met in a general assembly in the Lecture Room for the purpose of discussing the improvement of school spirit. After the objectives were presented, the students were divided into three groups with a faculty member at the head of each. Each group discussed means to better school spirit in one of three aspects of school life—athletic spirit, service spirit and scholastic spirit. Ideas from each section were presented in a second general assembly and out of these suggestions came a Homecoming parade, spirit posters, and scholastic achievement programs.

The Beta Club, based upon character, scholastic achievement, and the ability to help others, strived this year to seek more service and leadership from its members. Betas worked together to raise club standards. Ricky Jordan and his corps of officers inducted twenty-eight new members, all of whom maintained high academic averages. With the idea that the Beta Club is an honorary organization, its members worked to begin plans on a tutoring service to aid any student requesting help with studies. In December, seventeen Betas, chaperoned by sponsors, attended the state Beta Convention in Baton Rouge and brought back many new ideas for the WSHS club.

These convention delegates supported Nancy Holmes in her campaign for state vice-president.

The Beta Club annually sends representatives to the Louisiana State Beta Convention for the purpose of securing new ideas for the improvement of the local club. This year the convention trip was highlighted for delegates as they ran a candidate, Nancy Holmes, for state vice-president. Even though Nancy did not win, she gained valuable experience both for herself and for the WSHS Beta Club. Her efforts marked the first time that Senior High Betas had actually taken part in the mechanics of a state election.

EXPECTING A

Beta lends a hand in Homecoming activities with this exhibit entry.

The Beta Club sponsors are Mrs. Kerry Bradford and Coach Joe Dosher.

Initiation is one of the Beta Club's most important activities for the school year. New prospects maintaining a high grade average and having qualities characteristic of a good student were nominated, screened by sponsors and teachers, and finally accepted for membership. They were initiated November 3 at an assembly in the auditorium.

Library assistants, Carol Taylor and Terry Wagoner, attended Library Leadership this summer at L.S.U. and returned to organize the first W.S.H.S. Library Club. Each member of the club works in the library daily. Their duties include processing and cataloging new books, circulating and shelving books and other library materials, preparing displays and posters, making overdue notices, and typing business letters. In addition the club participated in seasonal activities. In the fall they entered the Homecoming Exhibit and parade contests. Their winter special activity was the sponsoring of the Beauty and Beau Pageant, and in the spring they promoted and observed National Library Week. Throughout the year they enjoyed social activities in the homes of the members.

A well-rounded schedule of activities characterized the Speech Club this year. Club members' hard work was displayed at the annual Christmas assembly program which ranged from holiday symbols to a novelty version of the "Twelve Days of Christmas". Along with hard work must come fun and this is what the traditional Christmas party was.

An April variety show will highlight the year's activities. By providing outlets of expression for students and serving the school, the Speech Club has proven itself a definite asset to WSHS.

Beverly Parker and Carolyn Plunkett are getting ready to leave for leadership.

Tiger Roar Reports To Students

The *Tiger Roar* is the monthly journalistic publication at WSHS. Covering all phases of school life in editorials, personalities, features, and news, the twenty staff members strive "to separate the worthwhile from the worthless and promote the students and teachers at WSHS." The *Tiger Roar* staff also compiles, edits, and produces the weekly radio program "Tiger Roar Time," which presents timely school news to the listening public.

The Francois Mignon Chapter of the Quill and Scroll, national honorary society for high school journalists, is in its second year at WSHS. Membership is selective and based on rigid requirements. This year Quill and Scroll published a student birthday calendar and held monthly socials. Quill and Scroll sponsored a trip for journalism students to the *Times-Journal* plant in Shreveport. As a climax of the year's activities, the club also sponsored the Annual Press Banquet where awards were given for outstanding work in the journalistic field.

The group enjoyed a Christmas party in the home of one of the members.

The FBLA officers met during the summer to plan the club's activities for the coming year. For the programs, they scheduled speakers to tell about their occupations. On the officer's suggestion the members decided on typing the TIGER ROAR as the project for the year. Mr. and Mrs. Newton Forrest, Mr. Benny Smith, and Mr. Morris Crawford, serving as judges, selected Ronnie Brewton as Mr. FBLA and Jane Brady as Miss FBLA.

The club received a high honor when Ronnie Brewton was elected District Vice-President at last year's convention. He served on the state council, which consisted of eleven members.

The club was host of the district FBLA convention, held at Natchitoches on February 4. Committees were assigned to various jobs, which ranged from making signs to manning information booths. The club's activities this year served not only our own school, but also others.

The total number of hours spent in planning a yearbook would be a staggering figure. However, staff members never think of the amount of work involved; they think only of producing a yearbook that will be treasured by the faculty and the student body. Besides working one period daily at school, homework is a must for those staff members who do a thorough job.

Although putting together a yearbook requires lots of work and brain-wracking, it's also a lot of fun. The finished product always brings satisfaction to those who helped make it. Thanks go to all who helped make this yearbook possible, including those who responded so well to our "ad" sale.

The *Salt Rock* Staff's exhibit won first place in the 1967 Homecoming competition.

Without the income from advertisements, the *Salt Rock* could not be published. Therefore, the work of the Ad Staff is very important. This group of public-relations people begin their work early in the summer, contacting businessmen in the designated areas. The Salt Rock Staff commends the Ad Staff for their excellent work on the 1967 *Salt Rock*.

Music gives another means of expression, and the variety of moods is endless. The chorus members discover different types of music under the direction of Mrs. Walker, accompanied by Brenda Haddox.

Membership in Chorus is achieved through auditions at the beginning of the school session. The student must have talent, an interest in music, and also a desire to learn. This year the chorus assembled in the music department at the sixth period each day. The hours of work resulted in outstanding performances at both the Christmas program and the Beauty and Beau Pageant.

This year the Tiger Band was under the direction of Mr. Wade Hampton and had the addition of twenty junior high school students. Every Friday afternoon during football season the band, directed by Drum Major George Wyatt, played at the weekly pep rallies. Their selections from the Tijuana Brass and their accompaniment of the Alma Mater added to the spirit of each rally. The band attended every football game and performed during the half time period. Hours of practice after school were spent in preparation for Homecoming Day and the annual Christmas program. Our band is to be commended this year for the co-operation in all of the school's activities.

Pep Squad entertained fans at four half time shows this year.

This year the '66 Pep Squad, biggest and best yet at WSHS, gave the Tiger team the moral support and encouragement they well deserved. Besides making posters and cheering at all games, the Pep Squad joined the band in half-time ceremonies.

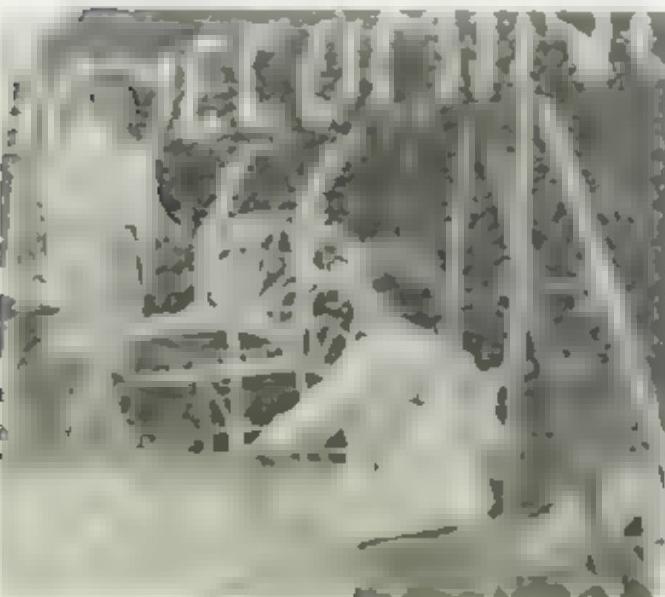

"Yes, we've got the Tigers on our team—they're great; we've got the coaches on our team—they're great; and we've got the spirit that makes a great team G-R-E-A-T!"

Student participation during pep rallies added much excitement.

Coach Addie Thornton, sponsor of the Pep Squad, worked hard with the girls in improving school spirit.

"Spank the Spartans!" Pep Squad's entry in the Homecoming exhibits proved to be very appropriate.

Here's Where The Pep Comes From

"Go, Tigers!" bounced off the walls of our auditorium as our six cheerleaders led the student body at the pep rallies. Their enthusiasm was caught by all, and school spirit ran higher than ever before at W.S.H.S.

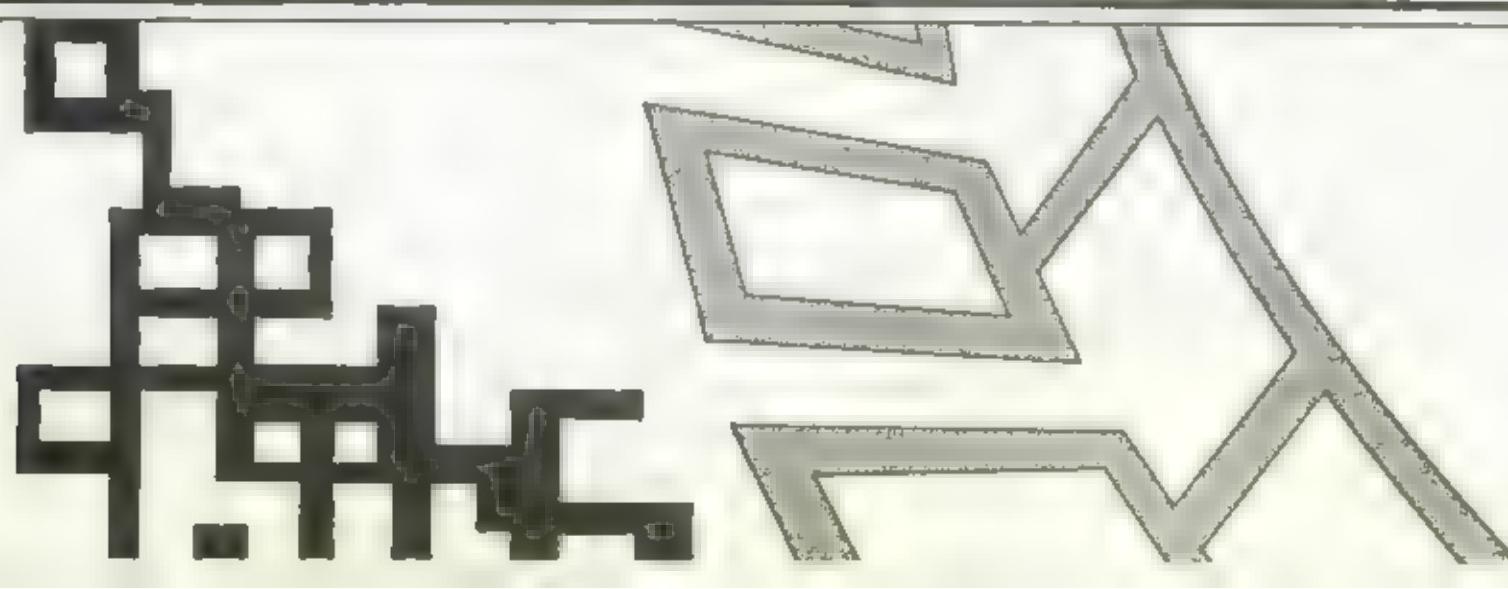

Our cheerleaders won 3 first-place ribbons at the Stephen F. Austin Cheerleader Camp last summer.

Keeping school spirit flying high was the responsibility of our cheerleaders:

Homecoming Highlights

Victorious Season

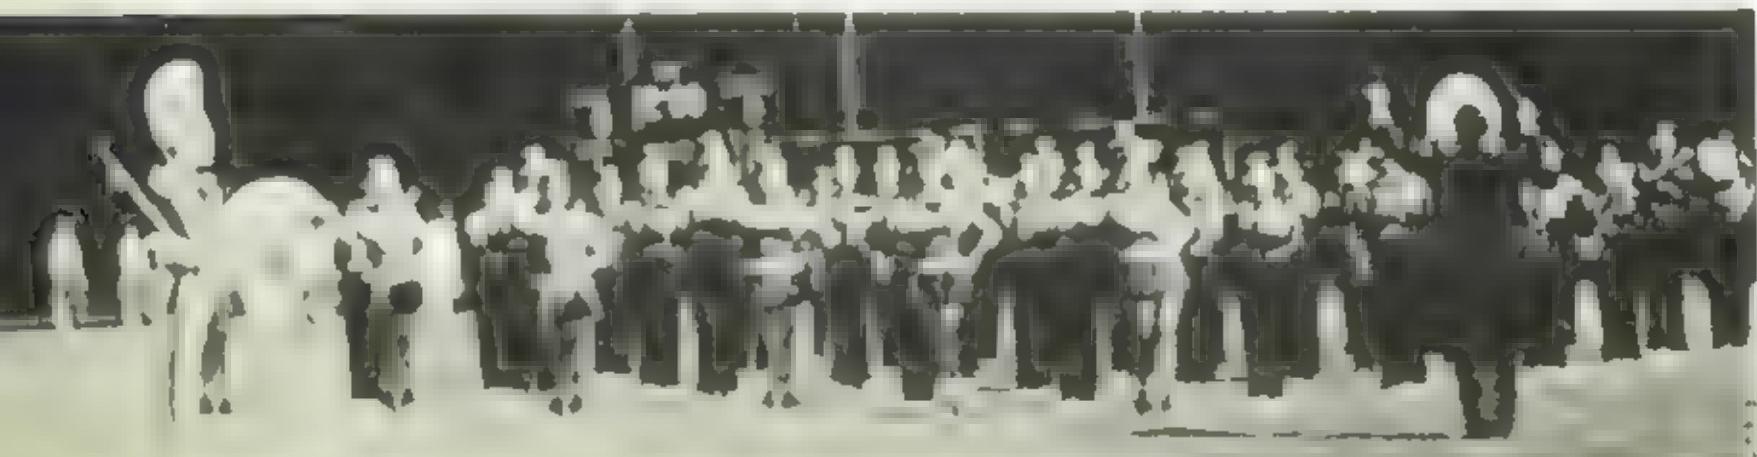

Students work hard to make Homecoming '66 the best.

The Annual Stiff was awarded the first place trophy for their unique exhibit.

This ingenious idea captured the first place car trophy for the FFA.

WSHS band performed before a capacity crowd during pregame ceremony.

Miss Jane Mayes, Winnfield Senior High senior was named Queen of the 38th annual Homecoming Wednesday, October 19, at an assembly prior to the downtown Homecoming parade.

Wednesday's activities touched off a three day program climaxing Friday night at 7:30 with kickoff at the Caldwell-Winnfield 2-AA district football contest, which Winnfield won 27-12.

Cars decorated by the campus organizations were judged during the parade Wednesday and exhibits were judged Thursday. A bonfire Thursday night, a pep rally Friday afternoon, and the presentation of the Queen and her court Friday night before the ballgame completed this spirit-filled week.

Jane Mayes, chosen by the 1966 Tiger football squad, reigned as Queen over the WSHS Homecoming. From left are maids Lynn Jackson, Brenda Haddox, Pat Baughman, Queen Jane Mayes, Joanne Futch, Elizabeth Hemphill, and Johnnie Poissot.

Whooping it up in this 1928 Model A Ford, a group of Tiger rooters got ready for the Homecoming parade.

Jane Mayes, nominated by senior tackle Ronald Griffin, posed after the coronation ceremony.

Tiger Coaches

The Tiger coaches: Bob Edwards, Head Coach
 Tommy Bankston, Jerry Bambrough, Joe Dorhet

Coach Bankston and his assistants placed most of their emphasis on helping the boys to believe in their ability to win. The stress on this facet of the game, as well as a rigorous training program to improve speed and agility, was instrumental in making this one of Winnfield's most victorious seasons.

Managers

Managers: Trey Brewton, Earl Denning (Mike Womack

Ammonia capsules, uncleaned football cleats and first-aid sprays were among items associated with our unsung heroes—the Tiger managers. Much of the Tiger team's success this year was due to the effort and time put in by these boys.

Coaches Lead Team To 8-2 Record

Tiger Lettermen Row 1: Ralph Roberts, Layton Long, Ronald Brazzell, Larry Gibson, Zimmerman Tommy Tinnerello, Glenn Stewart, Hershal Long, Randy Poisso, Woody Brazzell Row 2: Ricky Jordan, K. T. T., Jim, Steve Streud, Lamar Skains, Gary Green, Charles Poisso, Wayne Wood, Ronald Howard, Charlie Thompson, Ron Fletcher, Mike Kennedy

Tigers Tommy Tinnerello and Jimmy Zimmerman crash through the Tiger hoop just before gametime.

Jerry Hightower powers his way for 10 yards and a touchdown against Pineville's Rebels.

WSHS 32 Pineville 0

The Winnfield Tigers romped for five touchdowns in the second half to pull an upset victory over the Pineville Rebels. A combination of blocked punts by Spangler and sprints with the loose football by Wayne Wood accounted for most of the scoring. In addition to this bit of teamwork, scoring was done by Woody Brazzell and Jerry Hightower, and by the passing of Ricky Jordan. Despite the large score, the game was primarily a defensive show.

Nineteen sixty-six was a year of history making for Tiger football at WSHS. Compiling a record of 8 wins and 2 losses, the Tigers completed their best season since moving to the senior high school. This year marked several new firsts: the first win of a district game in double-A ranks, the first Homecoming victory at WSHS, and the first time that the Senior High Tigers had qualified to enter state playoffs. The high spirit and efficiency of the Tiger Team won many credits for the high school.

WSHS 12 Rayville 13

In the opening contest of the '66 season Rayville narrowly defeated the Tigers in a game where extra points proved to be the difference. Winnfield's scoring came on a 2-yard run by Ronald Brazzell and on a one-yard plunge by Jerry Hightower. Although the Tigers lost, they showed promise of good things to come.

WSHS 6 Natchitoches 0

Trekking to Demon Stadium in Natchitoches, the Tigers squeaked out a narrow victory over the Red Devils on a 17 yard pass play from Ricky Jordan to Wayne Wood. Many drives were stopped during the game by a large number of penalties and fumbles distributed between both teams. Winnfield's outstanding defensive play kept the opponents bottled up all night, enabling the sputtering offense to attain the victory.

Wayne Wood hauls in a Jordan pass good for 17 yards and the game's only score.

WSHS 6 Tallulah 0

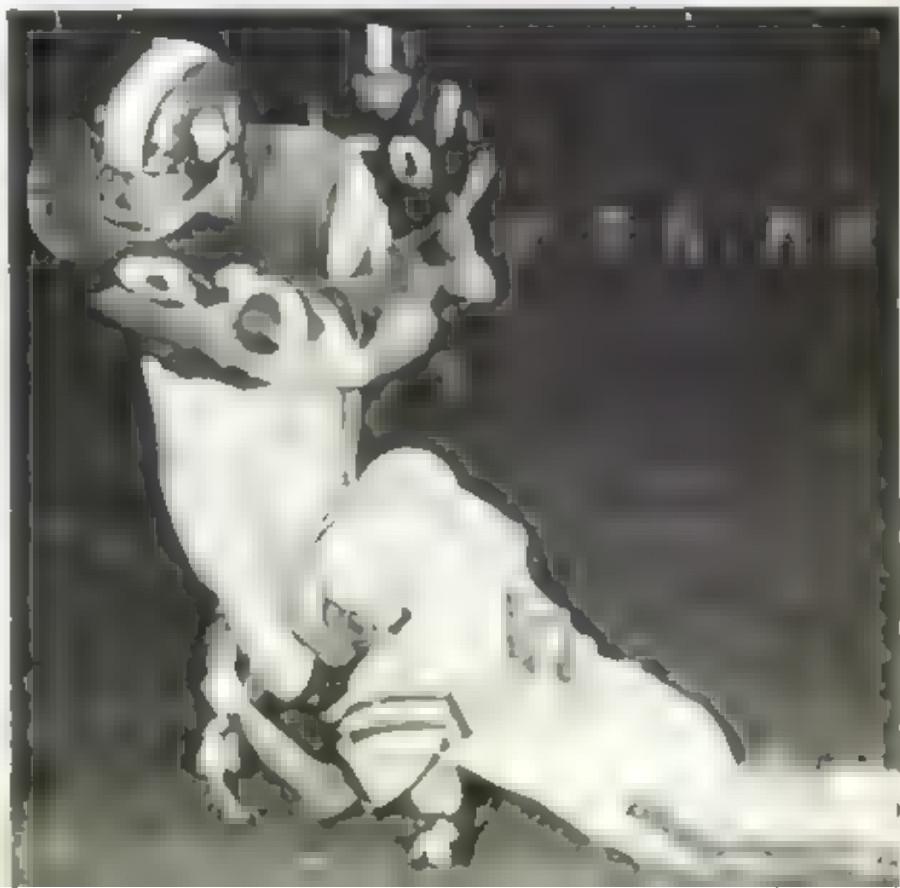

Winnfield won its first district game since coming to the double-A ranks when the Tigers downed the mighty Trojans from Tallulah. The game was played in a constant downpour, which resulted in neither team being able to muster a convincing attack. The game's only score came in the first quarter when Mike Spangler recovered a fumble in the end zone. Outweighed nearly twenty pounds per man, the Bengal defense repeatedly forced Tallulah to give up the ball, and the game ended with Winnfield the victor by six points.

Tallulah players team up to partially block a punt by Charles Dawson.

WSHS 13 Menard 6

The Winnfield Tigers recorded their fourth straight victory as they defeated the Menard Eagles 13-6. Again the defense proved to be the game's deciding factor. The Tigers scored first as Ricky Jordan returned a punt sixty yards, and Steve Stroud converted the P.A.T. Wayne Wood added another touchdown when he raced 40 yards with an intercepted pass. The Eagles, on a nine yard touchdown pass, ended Winnfield's streak of fifteen unscored quarters.

Menard's Gene Flynn is brought down on a screen pass by linebacker Charles Poisso.

The quickness of the offensive line continuously opened big holes for Tiger ball carriers.

WSHS 13 Ferriday 12

Winnfield's second consecutive victory in district 2AA featured a valiant come-from-behind effort. Stymied in the first half, the Tigers returned to the dressing room behind by six points. With a few key runs and several clutch catches, Winnfield lit up the scoreboard as Jordan bulled over from the one. In the fourth period the Tiger offense, using a blazing passing attack, moved 56 yards for the winning score as Jordan hit Spangler for the touchdown.

Randy Poiso breaks up a pass to stop a Caldwell drive.

WSHS 27 Caldwell 12

The WSHS Tigers, rolling up victories in district play, soundly thumped the Caldwell Spartans here in the 1966 Homecoming tilt. Scoring on the ground was done by Jerry Hightower and Ronald Brazzell, while Ricky Jordan filled the air with T. D. passes to Wayne Wood and Ronald Howard. Steve Stroud converted 3 extra points, helping the Tigers win their first Homecoming victory in history at WSHS.

Skirting around left end, Hightower runs out of room as Jonesboro tigers converge on the play.

WSHS 14 Jonesboro 13

The Winnfield Tigers won their seventh straight game of the season as they defeated arch-rival Jonesboro at Stokes Walker Stadium. Seeking revenge for past defeats, the Tiger team threw a well-balanced attack at the visitors. Winnfield's scoring came on a twelve yard scoring pass from Jordan to Ronald Howard and on a phenomenal defensive play by Wayne Wood. Winnfield's two extra points proved to be the margin of victory. As the result of this victory, the Tigers were ranked third in the state by sports writers.

Winnfield's defensive unit was responsible for nailing this opponent for a big loss.

WSHS 26 Tioga 0

Winnfield's Tigers ran their season record to 8-1 with a solid 26-0 victory over the Tioga Indians. Most of the scoring came by way of the strong right arm of quarterback Ricky Jordan as he hit Hightower for strikes of 44 and 36 yards. Steve Stroud continued to convert the extra points.

Winnfield Ends Season In Bi-District Play

WSHS 13 Jena 19

Jena's Giants, playing on their home field, ended Winnfield's eight game winning streak with a 19-13 victory over the Tigers. Miscues marred Winnfield's hopes of a perfect district slate. Jena cashed in on two of the Tigers costly fumbles. Dawson scored the first touchdown on a one yard run, and the Tigers only other score came on a 28 yard pass from Jordan to Wood. Winnfield's loss threw District 2AA into a three way tie among the Tigers, Jena, and Tallulah.

Riding a professional aerial attack, Winnfield's spirited Tigers humiliated Jena 33-13 just four days after dropping a 19-13 decision to the Giants. Jena was never really in the ball game as the Tigers played, what many said, was the best high school ball game they had ever witnessed. With this win, Winnfield won the right to meet Tallulah to decide the district championship.

Split end Wayne Wood reaches in vain for a Jordan pass near the end zone. Jena upset the Tigers 19-13 in this final game.

Winnfield's battle weary Tigers, playing their third game in 8 days as a result of inter-district play-offs, were defeated 27-7 at the hands of a considerably larger Tallulah team. Winnfield held off the devastating running attack of the Trojans until halftime, but fatigue caught up with the Tigers, and they could no longer cope with Tallulah's large line. Because of this loss the Tigers wound up second in District 2AA, with the right to meet Jesuit of Shreveport in a Bi-District contest.

The Jesuit Blue Flyers outmanned Winnfield's Tigers 39-7 in a Bi-District scrap at State Fair Stadium in Shreveport on Saturday, Nov. 26. The game, played in a thunderstorm, featured Jesuit's Flyers running attack and lightning-quick defense. Ricky Jordan's air attack was thwarted, and the Tigers rushing was stopped cold. Hightower scored the only touchdown for Winnfield on a 48 yard burst from scrimmage. Even with this loss, ending Winnfield's season, the Tigers were hailed one of the smallest, but toughest teams in the state.

Quarterback Jordan heads downfield against a strong Tallulah defense in a contest to decide the District championship.

Judy Bright gets the tip-off in the opening minutes of the contest with Atlanta.

Judy Bright and Pat Jarnagin wait for a rebound in the Caldwell game.

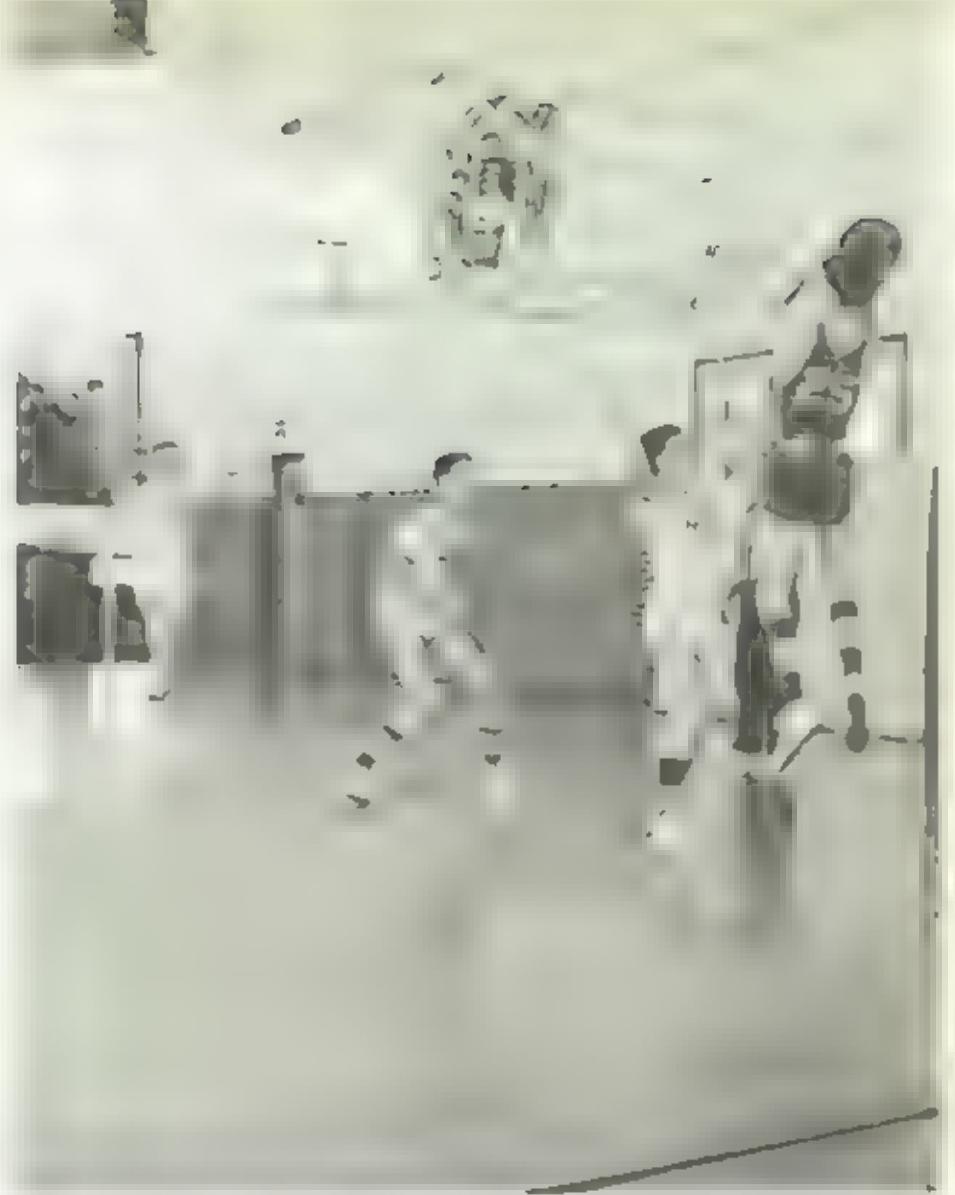

With an effective jumpshot, Judy Bright aids in a victory for the Tigerettes over Tioga in the Caldwell tournament.

Beth Garrett starts the play.

David Taylor goes up for two points.

In the Parish Tournament Tommy Cathey takes a shot out of the corner.

Driving to the basket, David Taylor lays the ball over the rim as Tigers Will Walker, Tommy Cathey, and Delane Adams back up the play.

Winnfield's guards take to the action as Pat Baughman leans to block an opponent's shot.

Spring Sports

Ronnie Brewton, one of the linkamen at WSHS, prepares to tee off, hopefully anticipating a good round. Ronnie has been a member of Winnfield's golf team for five years.

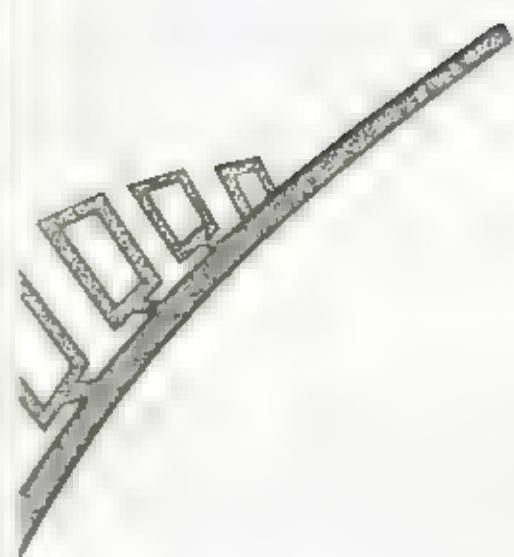

Chipping is one of the prime abilities of golfer Ben Swilley. Ben, a member of the team for five years, has practiced diligently and is now one of the area's finest golfers.

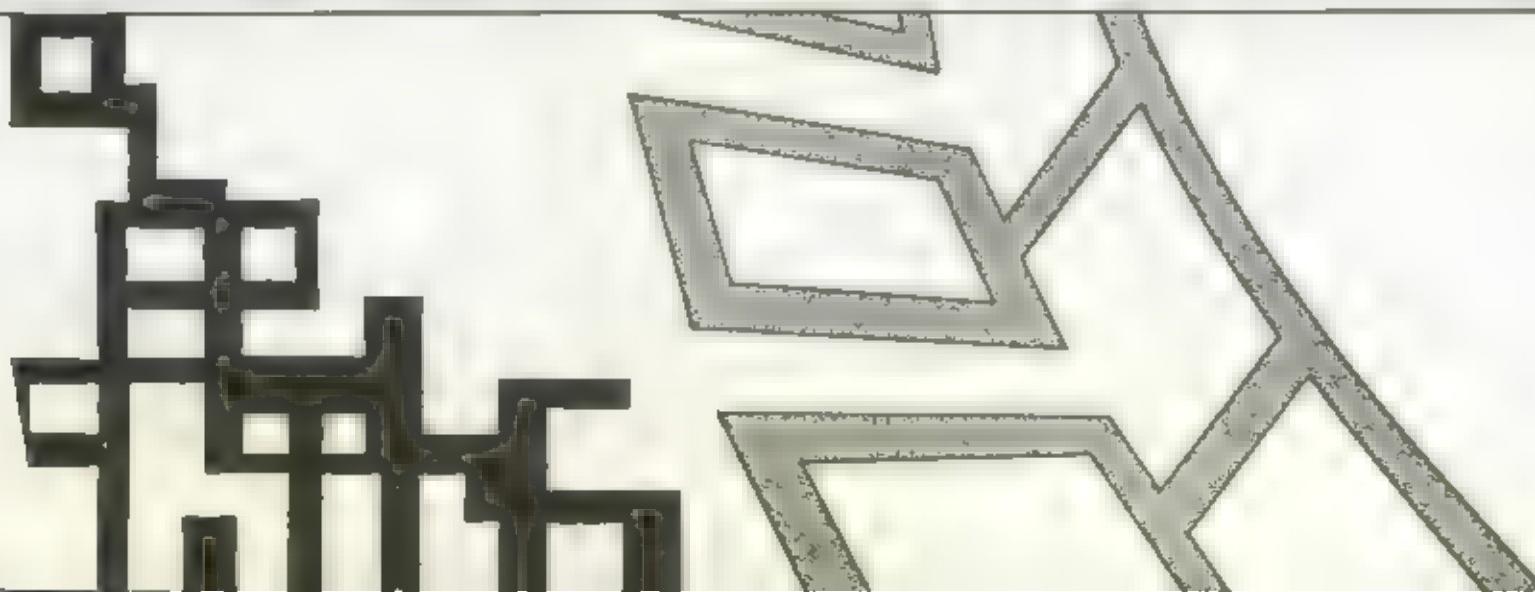

Volleyball becomes the major sport for girls as the spring season arrives. The girls' volleyball team competes with area schools and has amassed an enviable record in past years.

Cross-country runners Phil Harrington, Mike Kennedy, Jimmy Walker, and Henry Long get set for a jaunt through the woods. This is only one phase of the track program under Coach Joe Dosher, and it takes place before the official track season begins.

Close Relationship With Student Body

Always busy, always interested—Mr. Crowe keeps WSHS operating smoothly and efficiently—yet he always has time to extend a friendly hand to students, faculty, and visitors alike.

He is well equipped for his tremendous job as principal because he has experienced almost all the problems that a teacher or principal has, for he has been both. Everyday he deals with student problems, supervises school activities and maintains strict discipline in a fitting blend of authority and understanding.

His alert and sympathetic interest in the students and his loyalty and devotion to duty hold much promise for the future of WSHS.

Assistant Principal

MR. JOHN R. COLE

We can turn any corner, glance down any corridor and find our friend Mr. Cole. There is no problem too small for him to listen quietly and diagnose the trouble. If he does not have the solution, we walk away with the feeling there's someone who cares!

To know Mr. Cole is to love and respect him as a friend and as assistant principal of WSHS.

Secretary

MRS. JENNIFER WHEELER

Typing, filing, answering phone calls, handling funds, mailing checks, keeping school accounts—these are but a few of the many and diverse duties of our office secretary.
